Terms of Use of the Tatebayashi City "Japan Heritage" Promotion Council Website

■ Privacy Policy

The Tatebayashi City "Japan Heritage" Promotion Council endeavors to respect the privacy of all viewers and users so that anyone may use the Japan Heritage "SATO-NUMA in Tatebayashi" website (hereinafter "this website") with peace of mind. We will take all possible care to ensure appropriate treatment of personal information and to safeguard your privacy.

■ Handling of Personal Information

Definition of personal information

Information concerning individuals enabling the identification of a specific person (information enabling the identification of an individual e.g. personal names, date of birth, other statements or individually assigned numbers, symbols, other signs, audio or video)

Information that of itself could not identify a specific person, but that can enable such identification easily through verification with other information

■ Acquisition of Personal Information

This website can be used without sharing personal information that enables the user to be identified.

In the analysis of access logs and other data recorded on servers, we conduct surveys of user trends overall to improve the operation of the website, but we do not focus on specific IDs. However, we may ask for you to enter your name, address, and email address for the sake of replies to inquiries and so forth in the operation of the page.

■ Use of Personal Information

We use personal information provided to us only within the predefined scope (e.g. for inquiries).

It is not used for any other purpose whatsoever.

■ Management of Personal Information

The personal information you provide will in principle not be used beyond the scope of office purposes. The acquired personal information is strictly managed with appropriate measures to prevent leakage, misappropriation, or alteration. However, if the consent of the individual from whom the information was provided is given, or if required by the law, the personal information may be provided to another party. Personal information that is no longer required will be immediately disposed of and erased.

■ Applicable Scope of the Handling of Personal Information

The "Handling of Personal Information" stated on this page applies to the following domain.

For domains other than this, the information is managed under the responsibility of the administrator.
